Hon'ble J.C.S. Rawat, J.

(Correction Appl. No. 1336 of 2006)

Heard learned counsel for the applicant on the correction application.

Perused the correction application.

It was pointed out that the court has held that the complaint is barred by the limitation and the cognizance is bad in law. However, in the operating portion of the judgment and order dated 29th March, 2006 in Criminal Misc. Application No. 1 of 2000 due to clerical mistake, it has been written that **" In view of the above observation, I do not find any force in the petition. The petition devoids of merit is liable to be dismissed and the same is accordingly dismissed."** As a matter of fact, it should be written as **"In view of the above observation, the writ petition is allowed".**

The correction application is allowed.

Let the necessary correction be carried out in the judgment.
